

# Rallardagene in Narvik 17<sup>th</sup>-19<sup>th</sup> of March

## Business opportunities for the building & construction industry

Are you in the building and construction industry? Are you interested in new business opportunities in northern Norway?

Join us to the annual event *Rallardagene* in Narvik, Norway. An event, where you will meet the decision makers and get a good network within the Norwegian building sector.

Rallardagene is a part of Narviks Winter Festivity Week, which includes both seminars and possibilities of business to business meetings. Rallardagene is a meeting point for the building and construction industry. **If you think your products or services could have a market in the northern parts of Norway, this is the place to be.**

If your company is from northern parts of Finland or northern parts of Sweden, Nordic Business Link will help you get there. We make all the arrangements. We also subsidize your trip – **you only pay 400€ which includes**; travel, dining, two nights stay at a Hurtigruten-boat. And last but not least the participation fee for the seminars and the business matchmaking.

If you think Norway may be your market, or if you want to expand your international network, this is your place. Official language is Norwegian, interpreters are available if needed. **Please do not hesitate to contact us today for more information and to sign up to an important event within the building and construction sector.**
